

## Independence Day

Saturday, July 4

“It is the duty of all nations to acknowledge the providence of Almighty God, to obey His will, to be grateful for His benefits, and humbly to implore His protection and favor.”

— George Washington

“We have this day [July 4] restored the Sovereign to whom all men ought to be obedient. He reigns in Heaven, and from the rising to the setting of the sun, let His Kingdom come.”

— Samuel Adams

This was the intended vision for America.  
His Kingdom come. King Jesus & His authority.  
That we would live in dependence upon Him. . . The Lord. Our Lord.

Of course, what we have seen throughout our history, and what seemingly is coming to a greater fruition now, is a Kingdom replacement. We have gone from “Your Kingdom come, Your will be done” — to my kingdom come, my will be done.

We have replaced God with idols of all kinds. We have changed. Those founding words of a new nation by Washington and Adams have changed. We are now scraping them off our buildings and erasing them from textbooks.

But, while society changes, God does not. Therefore, our faithful resolve in Him should not either. These are apt words of advice: “Keep your feet firmly planted in Christ.”

This is actually God’s advice for all of us, to remain planted and steady in Him. May this be our clarion call for the Fourth. The words of Colossians 2:6-8 echo the theme:

“So then, just as you received Christ Jesus as Lord, continue to live your lives in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness. See to it that no one takes you captive through hollow and deceptive philosophy, which depends on human tradition and the elemental spiritual forces of this world rather than on Christ.”

# YOUTH NEWS

**Summer Opportunities** – The staff is still planning summer opportunities for student in grades 3<sup>rd</sup> and above this summer. "Summer opportunities" are opportunities to learn a new skill or get better at a skill we already have. These classes will be from 1:00 - 3:00 on Wednesdays for July 29, August 5, and August 12. We will be registering people from the Bethany Web page. This summer, we will also be keeping classes to a maximum of 5 students per class. If there is anybody that is willing to lead a "Summer Opportunity Class" please let Todd Know.

Online VBS will be available from our website July 13-16. There is a new tab on the Bethany website "VBS" which all things VBS related will be under. Next week we will have a list of items you can have, but don't have to have, at home for VBS. We are doing experiments to enhance our lessons that our youth can do with their parents if they so choose.

With the school year starting early, please make sure you check out the web page after July to make sure you know when activities for you and your children start up again in the fall.

Todd is looking for a Small group leader for the incoming 7<sup>th</sup> Grade Class. If you are interested in learning more about this opportunity to serve call the office and ask for Todd or talk to him after a service.
