THANK YOU...

Mission Quilters, I want to thank you for the beautiful quilt you made me. It has been used often, and I'm reminded of the talents and gifts you all have been given and for the joy and comfort the quilt brings. It is beautiful and I am blessed by your kindness and love. I am so thankful for my church family and your kindness! My healing is a long, painful process and I have been told by the doctors that it normally takes 3 months. Your prayers for healing are deeply appreciated. With all my love, Jolene Hebrink
